J&P CARPETS

CARPET

公司簡介

本公司總部位於香港，名 **J&P CARPETS MANUFACTURING COMPANY LIMITED**，主力負責外國市場，很多區域均有我們的業務代表，配合我們與境外設計公司溝通和售後服務。公司同時擁有另一主力負責設計並直接參與工程的機構，多年來與香格里拉酒店集團全球形成了緊密的合作關係，在地毯界中略有知名度。近年通過與半島酒店集團的合作，使我們有幸得到更好的學習機會，開始挑戰更高的技術要求。

我們的生產基地位於國內，旗艦廠為佳麗（清遠）地氈製造有限公司，產品包括羊毛、尼龍、真絲、人造絲、棉、麻、竹纖維等多樣化材質或混合材質。我們在增城有自設的染廠，保證從選料到製作、施工都能親自監控，保證品質。我們採用新西蘭羊毛局推薦的瑞士染料，與其它低價進口染料相比，它具有更佳的色牢度和環保性能。2012年，加入了美國地毯協會，取得了CRI國際認證，每季受協會定期抽檢，是中國手工地毯行業取得此認證的寥寥數家之一。

在羊毛地毯的使用中，防蟲處理是一個非常重要的環節，現在我們已能達到國際標準的最高等級。另外，防火，防靜電，防霉防菌，防水，防油，防污這些指標，只要客戶有要求，我們都能達到。

我們手織地毯的年產量在15萬平方米以上，均為特別訂造，為保證版權和客戶利益，對完工的專案資料暫不作詳細介紹。如欲了解我們公司的更多資料，歡迎各界朋友到工廠實地考察指導。

Our company headquarter is in Hong Kong, named J&P Carpets Manufacturing Company Limited, which is mainly responsible for overseas markets. We have our representatives in many areas to communicate with foreign design firms and provide after-sales service. Our company also has another team to take care of designs and directly getting involved in the projects. Over the years with cooperation with the Shangri-la hotel group, we formed a close cooperative relationship with them and have achieved a little less fame in the carpet industry. In recent years, through cooperation with the Peninsula hotel group, we are lucky to have better learning opportunities, so as to challenge the higher technical requirements.

Our production base is located in mainland China. The leading factory is Jiali (Qingyuan) Carpet Manufacturing Co., Ltd. Our product range covers wool, nylon, real silk, art silk, cotton, linen, bamboo and various materials or combined. We have our own dye house in Zengcheng. We can personally guarantee from material to production, construction monitoring to ensure the quality. We adopt Swiss dyestuff which is recommended by Wools of New Zealand, compared with other imported low priced dyestuff, it has a stronger color fastness and better environmental performance. In 2012, we joined The Carpet and Rug Institute and obtained the CRI green label plus certificate. We are regularly checked by the institute each quarter. We are one of the only few hand-made carpet companies to obtain this certification so far in China.

In use of wool carpets, moth proofing is a very important process. Now we have been able to reach the highest level of international standards. In addition, for these indicators, such as fire retardant, anti-static, mildew and bacteria resistance, water proof, oil proof and anti-soiling, as long as the customer requests, we can achieve all the standards.

Our carpet annual output is more than 150,000 sqm., all of them are custom-made. In order to protect the copyrights and the interest of our clients, we didn't show the complete project information here. If you would like to know more about our company, you are welcome to pay us a visit.
